

# BECOME A GENERAL!

## *And Talk to the Entire World!*

Okay, not a military general, but you can become a **GENERAL CLASS** ham radio operator and use ALL the world-wide ham bands.

If you're a Technician class ham radio operator and would like to take it to the next level, attend the

## **General Licensing Class**

which will be held in Taylor in May of 2023.

## *When and Where*

The class meets from 6:00 PM until 9:00 PM in 2023 on May 8th, 10th, 15th, 17th, 22nd, 24th and 30th, with the VE session at 9:00 AM on Saturday, June 3rd.

The class and VE session will be held at the Taylor/Snowflake Fire Dept., 425 Papermill Rd., Taylor, AZ 85939

**Cost:** There is no charge for the class itself. Also, the new FCC \$35 fee does **not** apply to upgrades.

However, you will need to purchase your textbook, which runs about \$30-\$35. See the web site address below for further information about the class and textbook.
