

- (c) A pair of small side cutters (\$8 at Harbor Freight)
- (d) Needle nose pliers (\$4 at Harbor Freight)
- (e) reading glasses if you use them for reading
- (f) Safety glasses. (\$4 at Harbor Freight) You will be required to wear safety glasses for the practice session and the kit assembly.

If you do not have these tools we will have a very limited amount available for the construction project, but it would be best for you to bring your own.

Registration and pre-payment: \$20 + PayPal processing fee of 91¢ Please click on the link below to register.

SAFETY GLASSES ARE REQUIRED - please pick up a pair before attending the class.
